

***PLOVER, WISCONSIN - Photographer Earns “MASTER OF PHOTOGRAPHY” -
STU GLASER of SJ GLASER PHOTO & DESIGN, recognized for superior image making and
photographic service with a degree from Professional Photographers of America***

Jan 20, 2020—Stu Glaser has earned the Master of Photography degree from Professional Photographers of America (PPA). The degree was presented to Glaser by PPA president Audrey Wancket, M.Photog.Cr., CPP, at the association’s annual convention, Imaging USA, held January 19-21, 2020 in Nashville, Tennessee.

The Master of Photography degree is not merely a piece of paper. It means that Glaser has met the standards of excellence set by PPA. He has been awarded this degree in recognition of his superior photographic competence demonstrated through photographic competition, advanced education and service to the profession. In 2020, he was one of only 92 recipients. Glaser’s degree—and all the expertise they require—illustrate his accomplishments and talent as one of a select few.

About PPA

Professional Photographers of America (PPA) is the largest and longest-standing nonprofit photography trade association. Founded in 1868, PPA currently helps 30,000+ pros elevate their craft and grow their business with resources and education, all under PPA’s core guiding principle of bridging the gap between photographers and consumers.
